Learning for Life

Dear Year 5 Families,

SCIENCE - Starlab Education

On **Monday 13th May**, our Year 5 students will be involved in a very exciting incursion provided by **Starlab Education**. This incursion will further develop their understanding of Earth's place in space, our solar system, planet orbits, composition, relative sizes & distances, space exploration and technology and help reinforce what we will be learning about in Science.

This activity has been tested for safety and students will be supervised by their class teacher. Sessions will be 60 minutes each, held in the MPC and will be run by an experienced presenter.

COST:	\$11.00
PERMISSION FORM:	Completed online via QParents.
PAYMENT AND PERMISSION DUE DATE:	Tuesday 7th May

Kind regards,
Year 5 Teaching Team
